Welcome to the 21st Annual Komen Central Virginia Race for the Cure®! Since our first Race in 1998 and because of the generous support of community members like you, Komen Central Virginia has been able to provide over $6 million in local breast health and breast cancer awareness projects in our service area for women and men who would not otherwise have access to screening and treatment. Additionally, we have invested more than $2 million in the Susan G. Komen® Grants Program to fund ground-breaking research to prevent and cure breast cancer.

In 2018, we are as passionate as ever about saving lives and ending breast cancer. Even with all the incredible progress made, more than 40,000 women and men still die of breast cancer every year in the U.S., and we need your help to change the future. Our Bold Goal is to:

This is Susan G. Komen’s ambition. This can be your impact. Please join us.

Gratefully,

Kristin Harris
Executive Director, Komen Central Virginia
